

# It is Time for School

**It is September and that means it is time to go back to school.**

**I will be going to school at \_\_\_\_\_ and will be in \_\_\_\_\_  
grade.**

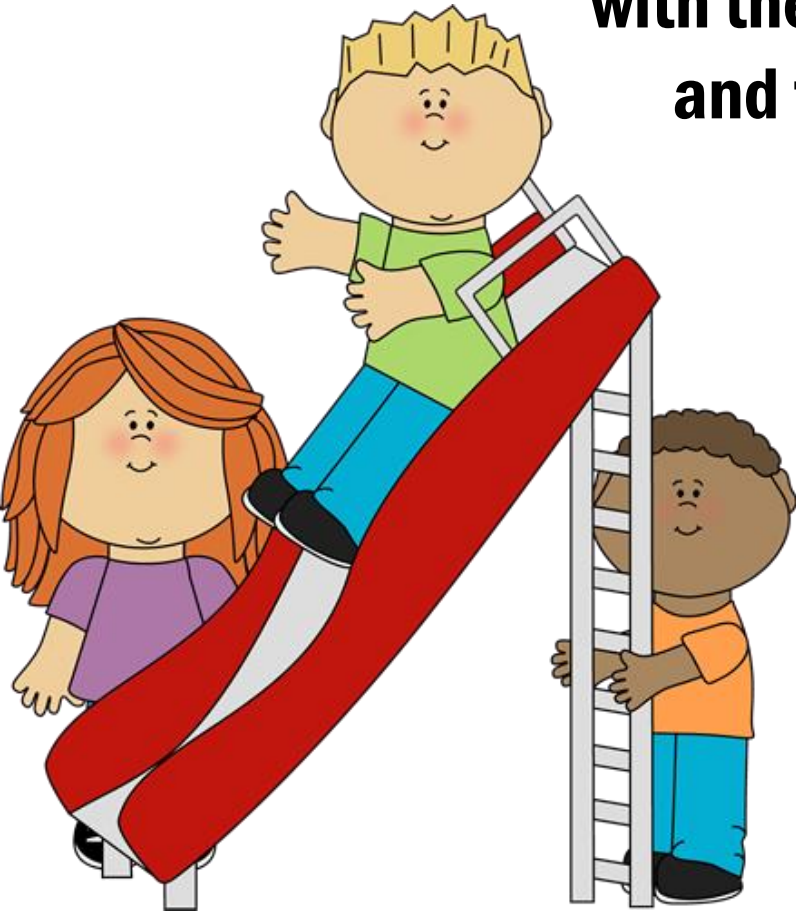

**I will take the bus/car/walk to school. Other kids will bus/car/walk to school.**

**My teacher is \_\_\_\_\_ and they will be there to help and teach me.**

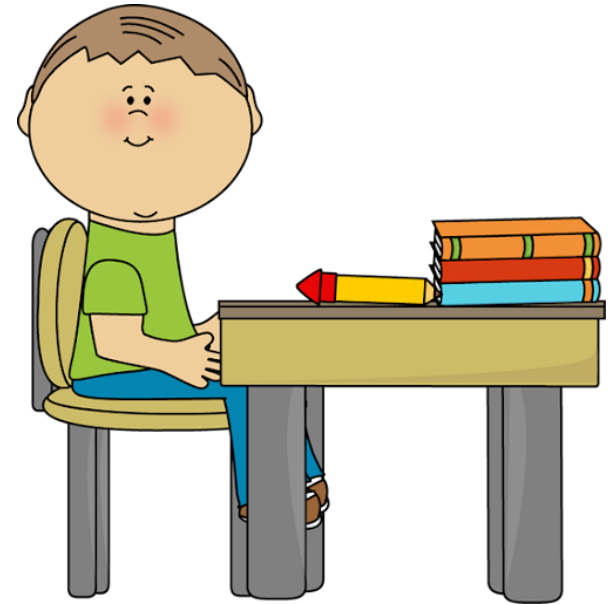

**I will meet new friends and get to learn with them and play with them at recess. I will listen to the teacher and follow the rules.**

**I will play with toys, read books, go outside for recess, and eat lunch with my friends.**

**First, I hang up my backpack and jacket. Then I find my name tag and sit down at my table/desk.**

**My class schedule will tell me what to expect and what will occur next in the day. Sometimes the schedule will change. When the schedule changes I will remain calm and flexible as change is okay.**

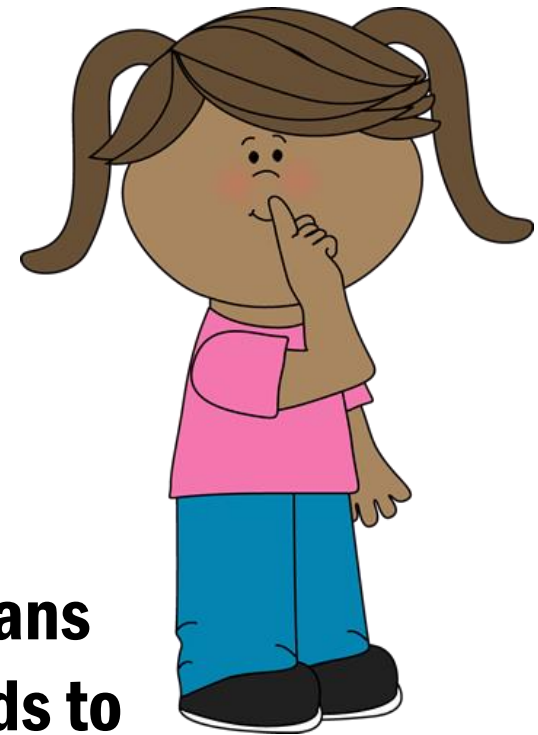

**If the teacher tells me something that I do not understand I will raise my hand and ask the teacher to explain it again.**

**I need to remember to be respectful which means using kind words, sharing, and keeping my hands to myself.**

**At the end of the day, I will pack my backpack up, gather my materials, get my jacket and lunch. When the school day is over, I will take the bus/get picked up/walk home.**

**School will be so fun!**
